

Kestrel Legacy Circle Statement of Intent

Thank you for including the Badgerland Bird Alliance in your estate planning. Your generosity will ensure that Badgerland Bird Alliance continues its good work in protecting bird habitat, providing environmental education and advocating for a healthy planet. Since 1935 we have been a regional leader in community-based conservation; your support will help continue this tradition.

Planned giving is vitally important to Badgerland Bird Alliance. Our *Kestrel Legacy Circle* recognizes and celebrates individuals, partners, or families who have made planned giving commitments to support our work together. *Kestrel Legacy Circle* members are listed in our annual report and receive invitations to special events. **Also, your philanthropic leadership will inspire others to consider this important step.**
